The American Heart Association helps us ensure that everyone in Nevada has the opportunity to live a longer and healthier life. The Neurology Center of Las Vegasneurology Center of Las Vegas is a specialized practice that caters to adult patients in Las Vegas, Nevada, a subject of conditions that affect nerve and brain function. Highly qualified, neurologist Shanker Dixit, MD, leads a team of compassionate health professionals who provide excellent services to patients suffering from conditions such as multiple sclerosis, migraine, epilepsy, dementia, motion disorders and Parkinson's disease. Patients have all the facilities they need in one place. Dr. Dixit and his team have access to state-of-the-art diagnostic technologies, including EMG/NCV tests (electromyogram/nerve driving speed), electroencephalography (EEG) and ambulatory EEG, evoked potentials, transcranial Doppler (TCD) and and and TCDs, and carotid Ultrasound. After a comprehensive examination and appropriate tests, the Neurology Center of the Las Vegas team creates an individualized treatment program for each patient to meet their unique needs. lagav lagav ovren od eÅÅalumitse ad raicifeneb es medop setneicap deep brain stimulation (DBS), and medical BotoxÅÀ injections at Neurology Center of Las Vegas. There's a fully equipped IV Infusion Center on-site, staffed by an experienced registered nurse, where patients receive prescription medications directly into their bloodstream. In addition, the practice offers expert medico-legal services and recruits suitable patients for clinical drug trials.To experience compassionate care in a welcoming, professional environment, call Neurology Center of Las Vegas to schedule a consultation or book an appointment online today.
